

INDIANA DEPARTMENT OF HOMELAND SECURITY

2013 INDIANA HOMELAND SECURITY FOUNDATION REPORT TO THE LEGISLATURE

Indiana Homeland Security Foundation

The Indiana Homeland Security Foundation, formerly known as the Emergency Management, Fire and Building Services, and Public Safety Training Foundation promotes first responder safety in Indiana through the sale of the Secure Indiana license plate. Sales of the license plate began January 3, 2000. In 2005, the Foundation was renamed.

Grant awards made by the Foundation continue to increase. The Foundation made the policy change of capping an award at \$4,000 to ensure more local communities are receiving the benefit of this program.

Indiana Homeland Security Foundation

Mission

The mission of the Indiana Homeland Security Foundation is to benefit the future of public safety in the state of Indiana through the promotion of adequate response capabilities, ***responder safety***, ***volunteerism***, ***outreach*** and ***teamwork***, and provide for enhancement of Indiana's public safety intellectual capital.

Indiana Homeland Security Foundation Membership

The foundation consists of nine (9) voting members and four (4) nonvoting advisory members.

A. The voting members shall be appointed by the governor. The voting members consist of nine (9) individuals appointed by the governor. Each Indiana congressional district must be represented by at least one (1) member who is a resident of that congressional district. Not more than five (5) of the members appointed under this subdivision may represent the same political party.

Indiana Homeland Security Foundation Membership

B. The four (4) nonvoting advisory members are as follows:

- (1) Two (2) members, one (1) from each political party, appointed by the president pro tempore of the senate with advice from the minority leader of the senate.
- (2) Two (2) members, one (1) from each political party, appointed by the speaker of the house of representatives with advice from the minority leader of the house of representatives.

Strategic Future of the Indiana Homeland Security Foundation

The Indiana Homeland Security Foundation goal is to align the mission of the Foundation funds with the Indiana Homeland Security Strategy, while maintaining the importance of local communities receiving the funds for their most important needs.

The primary reason people purchase the Secure Indiana plate is to fund local communities.

Strategic Future of the Indiana Homeland Security Foundation

For FY 2013 the available budget was \$646,283.05. The sale of the license plate has decreased. Grant requests have increased. The Foundation committee has taken measures to ensure the continued funding of the grant. The grant will be awarded less often in a year and the awards will focus on the needs of a requesting department.

Competitive Application Process

The Foundation has outlined 6 funding priorities:

- Response capabilities
- Volunteerism
- Mandated safe equipment for first-responders
- Outreach
- Teamwork
- Stewardship

Application Process

Using a competitive process ensures:

- 1) Public safety organizations go through a similar process that the state must go through to obtain homeland security dollars;
- 2) Cohesiveness at the district level;
- 3) Provision of financial resources that will empower the district to work together;
- 4) Capabilities building that is directly tied to US and Indiana homeland security strategic goals with milestones, budgets, and metrics to ensure money is spent wisely and project managers are held accountable.

Indiana Homeland Security Foundation

The Secure Indiana License Plate was created during the 1999 legislative session. The plate went on sale January 3, 2000 and the revenue from the plate sales went directly to the Indiana Homeland Security Foundation to fund public safety grants.

- Incorporating the strategic goals of the Department of Homeland Security with the award of the grants led the Foundation to change the name of the license plate from "Hoosier Safety" to "Secure Indiana" in January 2005.

Foundation Scholarship Program

Indiana relies on a robust and passionate first responder volunteer force in collaboration with government and private entities to provide for a Secure Indiana.

Mindful of the future, the Indiana Department of Homeland Security has a strategic interest in building up the state's volunteer force by encouraging Indiana's youth and adults to volunteer for public safety organizations and rewarding those efforts.

Eligibility

This is a competitive scholarship program for which eligible recipients:

- 1) maintain a minimum GPA
- 2) receive a recommendation from the public safety organization for which he or she volunteered

Full-time students were eligible for \$2,000 while part-time students were eligible for \$1,000. These funds are made possible by the sale of the Secure Indiana license plate.

Scholarship Awards for 2013

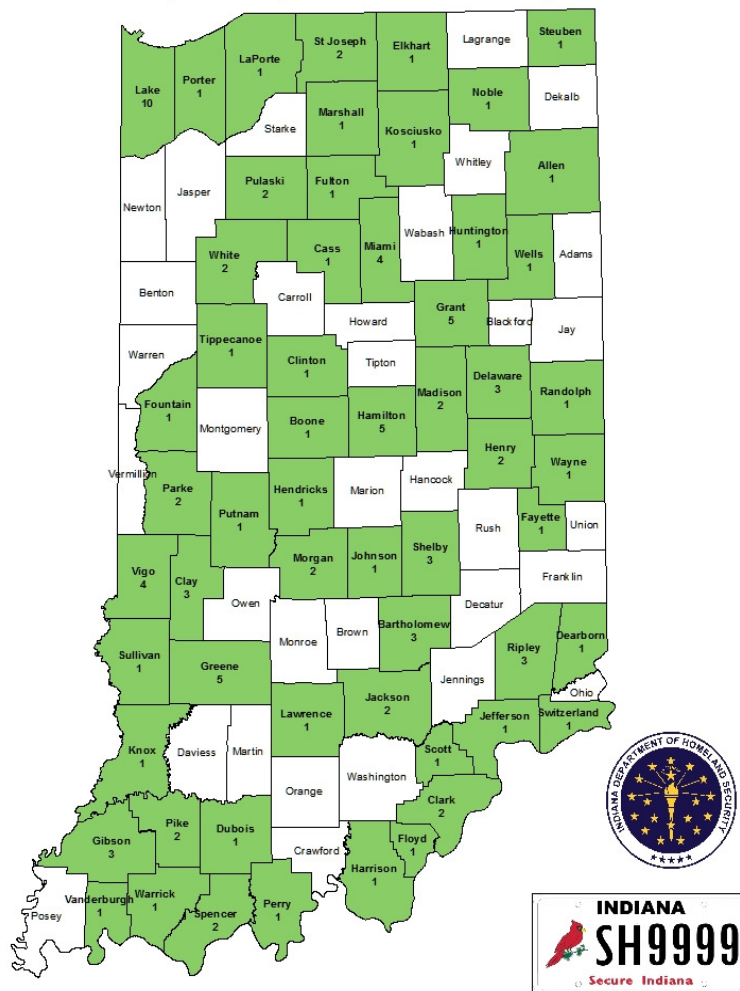

Two scholarships were awarded in 2013

- Karley Baumgardner of District 8 located in Putnam county was awarded \$2,000.00.
- Andrew Miller of District 4 located in Carroll county was awarded \$2,000.00.
